

# Finance solutions for healthcare professionals

## Finance you need for the things that you want

Managing your own successful practice is an achievement and a challenge. Time is important because your work life is busy. Money is a priority because you are balancing a budget that includes your:

Practice  
Equipment  
Motor vehicle  
Investment property  
Cash flow  
Home\*  
Life and income insurance\*

Medfin can help. Because Medfin offers you a range of financial products and services designed specifically with healthcare practitioners in mind.

## Consider it done

Want money to improve your practice and lifestyle but don't have time for the red tape?

Consider it done! Medfin removes the hurdles placed in front of you by traditional finance companies. We understand that your time is important, so our experienced Relationship Managers come to you with simple, no fuss finance solutions.

At Medfin it's possible to borrow up to 100% of the purchase price of your practice goodwill, car, equipment, improvements and practice premises. And there's no need to use your home as additional security.

For Medfin clients response time is quick and approvals are fast<sup>1</sup>. We know how to deliver the high level of service that healthcare professionals require.

## Specialist advice

Medfin focuses exclusively on the financial needs of medical, dental and healthcare practitioners. With more than 19 years of market experience, Medfin is an Australian leader in finance for healthcare professionals.
