

# Medfin Advance

A finance package for  
trainee specialists

When you move your career forward and start your specialist training, your everyday life changes and along with it your financial needs.

Medfin Advance is a new package of finance solutions designed with the lifestyle needs of medical and dental trainee specialists in mind. Medfin Advance offers you finance for the purchases you need to make – both large and small.

With special pre-approved limits, Medfin Advance is available exclusively to doctors and dentists who are completing their specialist training.

## Medfin Advance features

- A Pre-approved \$60,000 motor vehicle loan
- A Pre-approved \$30,000 credit facility limit – with a special Medfin Advance introductory rate for the first 6 months of your facility

Use your Medfin Advance credit for a range of business expenses including:

A PDA or mobile phone, further education, legal and accountancy fees

- Special offers on your home or investment property loan
- Access to personal and income insurance solutions

To move your life forward, talk to a Medfin  
Relationship Manager today about Medfin Advance.
