

Buying a residential investment property?

Your Investment Property

If you are thinking about investing in property, a Residential Investment Loan can help you to purchase real estate that's an investment in your financial future.

Medfin offers you access to a Residential Investment Loan with a unique point of difference – there is no requirement for you to pay Lender's Mortgage Insurance. And, within approved limits you can borrow a high percentage of the purchase price of your property.

With a choice of line of credit, fixed or variable rates, interest only or principal and interest, you can choose the repayments that best fit your budget and enjoy competitive interest rates.

At Medfin we believe in keeping things simple. That's why your Medfin Relationship Manager is always available to discuss in easy to understand terms the various ways to structure solutions to suit your finance needs.

Simple and fast

Medfin knows that your time is important so our experienced Relationship Managers come to you, simplify the loan process and help you to acquire your investment property quickly and easily.

An ongoing relationship

After your property purchase is complete, your Medfin Relationship Manager remains at call with quality service and specialist industry knowledge. At Medfin, high quality, personalised service is our first priority.

Repayment options

There is a range of repayment options, each with its own benefits. For example it may suit you to pay your interest in advance. Tailored finance options allow you to take advantage of possible tax benefits.

Specialist advice

Medfin focuses exclusively on the financial needs of medical, dental and healthcare practitioners. With more than 20 years of market experience, Medfin is an Australian leader in finance for healthcare professionals.
