2. When and how WE will confirm coverage

YOUR Insurance Manager, on OUR behalf, will confirm coverage on the equipment financed by YOU at least once per month via electronic transfer.

3. What is YOUR duty to pay premium

The amount of premium YOU will pay to US for this Policy will be determined by the premium rates applied by US for the various types of Covered Equipment. YOU must pay the full insurance premium for Covered Equipment for the initial 12 month period of each finance agreement within ten (10) days after YOUR Insurance Manager confirms coverage on the Covered Equipment. If YOU do not pay the full premium for the initial 12 months for the Covered Equipment in the time required, WE or YOUR Insurance Manger will send YOU ten (10) days' notice that YOUR coverage will be cancelled. If YOU do not pay the outstanding premium during that 10-day period, coverage for those finance agreements for which premiums have not been paid will be cancelled. If WE receive the premium within the 10-day period, WE will not cancel YOUR coverage.

Following the initial 12 month period of each contract, YOUR Insurance Manager will issue invoices for successive 12 month periods (or part thereof during the final year of the contract) of each finance agreement. YOU must pay these subsequent insurance premiums within ten (10) days of invoice. If YOU do not pay the full premium for subsequent periods in the time required, WE or YOUR Insurance Manager will send YOU ten (10) days' notice that YOUR coverage will be cancelled. Coverage on Covered Equipment effective before a change of premium rates becomes effective will not have premiums changed during the remaining period of coverage for such Covered Equipment.

5. How WE add Loss Payees to this Policy

- b. before a loss and six months or more after the date coverage begins under this Policy, that there is other specific insurance on the individual Covered Equipment that meets all the property insurance requirements in YOUR finance agreement, as determined by YOU, OUR coverage will be cancelled as of the later of (i) a date ninety (90) days prior to such discovery or other notification or (ii) the effective date of such other insurance; and in either case all related unearned premiums will be refunded to YOU, such unearned premium to be calculated on the basis of the full term premium less the amount of any element of insurance premium that has fallen due to be paid by YOUR LESSEE up until the date of notification of the cancellation.
- c. that at the time of a loss, there is other specific insurance on the individual Covered Equipment, OUR coverage will pay first for the Loss to the extent WE provide coverage under this Policy. We will not pay more than the Limits of Coverage under this Policy.
- d. after payment for a Loss, that there is other specific insurance on the individual Covered Equipment which meets YOUR finance agreement property insurance requirements, as determined by YOU, then subsections (a.) and (b.) above, as the case may be, shall apply, except that there shall be no refund of premium with respect to any period prior to 12:01 A.M. Standard Time, at the location of the Covered Equipment, on the day the loss occurred.
- e. notwithstanding the provisions of this clause, in the event that other specific insurance on individual Covered Equipment that meets your finance agreement property insurance requirements is cancelled or not renewed by YOUR LESSEE, coverage under this Policy will be extended to you for such individual Covered Equipment from the date of cancellation or non-renewal of the other specific insurance, as if such coverage had been timely requested. In the event of such automatic extension of coverage, the details shall be reported to YOUR Insurance Manager along with your next return in accordance with the provisions of paragraph 1 of Section II and the premium that YOU shall then pay will be calculated from the effective date of coverage, and the coverage shall not be invalidated by the provisions of paragraph 3 of Section II.

2. How YOU may cancel this Policy

YOU may cancel this Policy by delivering or mailing to YOUR Insurance Manager written notice of when the cancellation will be effective. It may not be effective less than ninety (90) days after the date of such notice. Any unearned premium resulting from any cancellation, other than as provided for in Paragraph 1 of this Section III above, or early ending of coverage on individual Covered Equipment will be returned to YOU. The premium earned will be based on the full term premium less the amount of any element of insurance premium that has fallen due to be paid by YOUR LESSEE up until the date of notification of the cancellation.

4. How misrepresentation and fraud void Coverage

Coverage under this Policy is void if YOU or YOUR LESSEE, at any time, commit a fraud against US or intentionally conceal or misrepresent or falsely swear any statement concerning any material fact about this Policy, the Covered Equipment, the circumstances of a Loss, or YOUR or YOUR LESSEE'S interest in the Covered Equipment.

2. What WE will pay for each Loss

WE will not pay for any Loss to Covered Equipment in any one Occurrence, if the amount of Loss is two hundred dollars (\$200) or less. WE will pay the total amount of the Loss if the amount of the Loss exceeds two hundred dollars (\$200), except during the contract works (as provided in Section 6g on page 6 of this policy) period when a minimum of \$750 applies up to the applicable Limits of Coverage as shown in the Policy Declarations. If one Occurrence involves coverage on more than one finance agreement containing Covered Equipment, this Paragraph 2 of Section IV will be applied to each finance agreement containing Covered Equipment separately.

3. What is the Loss settlement with a pair, set or parts

Subject to Section IV, Paragraph 1(a), (b) and (c), in the event of Loss to any part of a pair or set, WE will either:

- a. repair or replace any part to restore the pair or set to its value before the Loss; or
- b. pay the difference between the value of the pair or set before and after the Loss.

Subject to Section IV, Paragraph 1(a), (b) and (c), in case of Loss to any part of Covered Equipment consisting of

several parts when complete, WE will pay, on a prorata basis, only for the value of the part involved in the Loss, unless the other parts of the Covered Equipment are rendered unusable by the Loss to the particular part involved in the Loss, in which case, WE will pay YOU for the aggregate value of the Covered Equipment consisting of all of the several parts which have been rendered unusable.

4. YOU have automatic coverage due to inadvertence in reporting by YOUR Insurance Manager

In the event that insurance on any financed equipment eligible for coverage under this Policy is not requested or is cancelled by YOUR Insurance Manager due to inadvertence on the part of YOUR Insurance Manager, coverage under this Policy will be extended to YOU for such equipment as if such coverage had been timely requested, in accordance with the terms and conditions of this Policy, by YOUR Insurance Manager.

In the event of such automatic extension of coverage, YOU shall pay premium from the effective date of coverage. Coverage on all financed equipment eligible for coverage under this Paragraph 4 of Section IV shall be effective from the date the specific Covered Equipment would have been covered under this Policy or the date other specific insurance ceased to provide the coverage required under the finance agreement, whichever date is later.

SECTION V WHAT DUTIES YOU AND WE HAVE AFTER A LOSS OCCURS

1. What is YOUR duty to protect individual Covered Equipment after a Loss occurs

When a Loss occurs, YOU and YOUR LESSEE must make every reasonable effort to protect Covered Equipment from further Loss. If YOU and YOUR LESSEE intentionally neglect to do so, WE will not pay YOU for any Loss resulting from YOUR neglect. Any expenses resulting from YOUR efforts to protect Covered Equipment from further Loss shall be paid to YOU by US.

2. What is YOUR duty after a Loss occurs

As soon as practicable, YOU must give or cause to be given to YOUR Insurance Manager notice of any Loss to Covered Equipment that may result in a claim under this Policy. YOU must cause to be given to YOUR Insurance Manager, within ninety (90) days following demand thereof by YOUR Insurance Manager or US, a recorded or written statement of Loss from YOUR LESSEE, which shall include an accurate description of the Covered Equipment involved and how, when and where the Loss occurred. YOU or YOUR LESSEE also must cause to be given to YOUR Insurance Manager or US other supporting documents to prove the Loss, such as police, fire or repair company reports. YOU further agree to provide YOUR Insurance Manager or US with any documentation that YOU may have that may assist in adjusting the claim or proving the Loss, including an equipment invoice showing the original cost of the Covered Equipment and the finance agreement relating to such Covered Equipment. In the event that any documentation supplied by YOU or YOUR LESSEE is deemed by YOUR Insurance Manager or US as insufficient, YOUR Insurance Manager or WE shall advise YOU within five (5) days of receipt of the same in order that additional documentation may be supplied. If YOU or YOUR LESSEE do not cause to be given to YOUR Insurance Manager or US the required documentation cited above within ninety (90) days, WE will not pay YOU for the Loss under this Policy.

3. What YOU may be asked to do by Your Insurance Manager or US after a Loss occurs

YOU agree to cooperate with YOUR Insurance Manager and US in settling a claim for Loss. YOU also agree to attend, at OUR request, hearings or trials, help US to secure and give evidence and participate in legal suits. WE will reimburse YOU for YOUR expenses incurred in performing such activities. YOU further agree to be questioned under oath about any matter relating to this insurance or a claim for Loss and to sign any written answers given by YOU. YOU agree that YOUR Insurance Manager or OUR authorized representative has the right to inspect YOUR books and records relating to this Policy and that such inspection may take place at any reasonable time while this Policy is in effect and for twelve (12) months after coverage ends.

4. When WE will pay YOU for a covered Loss

WE will pay YOU for Loss to Covered Equipment within thirty (30) days after YOUR Insurance Manager or US receives the required documentation set forth in Paragraph 2 of this Section V above from YOU.

5. What happens to the Limits of Coverage after a claim is paid

Any Loss paid under this Policy shall not reduce the Limits of Coverage shown in the Policy Declarations.

6. How YOU agree to transfer rights of recovery against others to US

If YOU or any Loss Payee have rights to recover damages from a third party, other than YOUR LESSEE, for a Loss for which WE made payment under this Policy, those rights are transferred to US to the extent of OUR payment. YOU or the Loss Payee must do everything necessary to secure OUR rights and must do nothing before or after a Loss to impair them.

7. WE have no rights of recovery against YOUR LESSEE

If YOU have rights to recover damages from YOUR LESSEE for a Loss for which WE made payment under this Policy, WE have no such rights to recover from YOUR LESSEE to the extent of OUR payment or to any extent. WE waive any rights of subrogation against YOUR LESSEE.

8. YOU may not abandon individual Covered Equipment

YOU or YOUR LESSEE may not abandon Covered Equipment in order to claim a loss.

9. Who receives the benefit of recovery or salvage

If YOU, YOUR LESSEE or WE recover any Covered Equipment after WE make payment for a Loss to that Covered Equipment, the benefit of the recovery shall be OURS up to the amount of OUR payment. The salvage value of any recovered Covered Equipment on which WE have paid a claim is also OURS to the extent of OUR Loss payment.

10. How YOU and WE settle OUR disagreements

If agreement cannot be reached on the amount of YOUR Loss, the following steps may be taken within sixty (60) days from the time YOUR Insurance Manager or WE receive all YOUR supporting documents:

- a. YOU or WE may request an appraisal of the Loss.
- b. Within thirty (30) days of one of us requesting an appraisal, each of us will select a competent and disinterested appraiser.
- c. Within five (5) days of selecting our appraisers, YOU and WE will decide on a reasonable place and time for the appraisal.
- d. The appraisers will select an umpire. If the appraisers cannot reach agreement on an umpire within fifteen (15) days, an umpire will be selected by a judge in the state in which the appraisal is to be held.
- e. The appraisers will appraise the Loss and submit their opinion to the umpire. A written award agreed upon by two of the three will determine the amount of Loss.

YOU will pay YOUR appraiser, and WE will pay OURS. YOU will share equally with US in the expenses of the appraisal and the umpire. YOUR or OUR consent to appraisal does not mean that YOU or WE have waived any rights under this Policy.

SECTION VI WHAT OTHER TERMS AND CONDITIONS APPLY

1. What records YOU must keep

YOU must keep records of all finance transactions with YOUR LESSEES and records of all equipment covered by this Policy. These records must be available for inspection by YOUR Insurance Manager or OUR authorized representative at all reasonable times.

2. YOU may not transfer YOUR Policy rights without OUR consent

YOUR interests, rights and duties under this Policy may not be transferred without OUR prior written consent.

3. How this Policy may be changed

This Policy's terms and conditions may be amended or waived only by endorsement issued by US and agreed upon by YOU and US, and made a part of this Policy.

4. How the Insurance Contracts Act may affect this Policy

Any terms and conditions of this Policy which are invalid, illegal or unenforceable as a result of the operation of the Insurance Contracts Act shall be ineffective only to the extent of the invalidity, illegality or unenforceability, without invalidating the remainder of such term or condition or the remaining terms and conditions of this Policy.

5. Currency

Unless otherwise specified, all references in this Policy to "\$" shall mean Australian currency.

6. Goods and Services Tax

The premium charged for this policy **will include an amount on account of GST.**

The Insured must inform the Insurer of the extent to which it is entitled to an input tax credit for the premium each time that a claim is made under this policy. **No payment will be made to the Insured for any GST liability** that may acquire on the settlement of a claim if the Insured has not informed the Insurer of its entitlement or correct entitlement to an input tax credit.

Despite the other provisions of this insurance (including provisions in the wordings, any schedules and any endorsements), **the Insurer's liability will be calculated** taking into account:

- (a) **any input tax credit** to which the Insured is entitled for any acquisition relevant to a claim, or to which the Insured would have been entitled were the Insured to have made a relevant acquisition: and
- (b) (also for claims for Business Interruption only) **the GST exclusive amount of any supply** made by the Insured's business which is relevant to the Insured's claim.

If the sum insured or policy limit is not sufficient to cover the Insured's loss, the Insurer will only pay GST (less any relevant input tax credit) that relates to the Insurer's proportion of the Insured's loss. The Insurer will pay the GST amount in addition to the sum Insured or policy limit.

"GST", "input tax credit", "acquisition" and "supply" have the meaning given in the A New Tax System (Goods and Services Tax) Act 1999.
